PREFACE

The recent years have made many impressions upon the youth of America. We are now more than ever aware of the many nations in the world; we therefore have developed a strong love and patriotic spirit for our own America. It is with this same spirit that we pledge our allegiance to America, and our efforts to the furthering of international brotherhood.

we recall special friends,

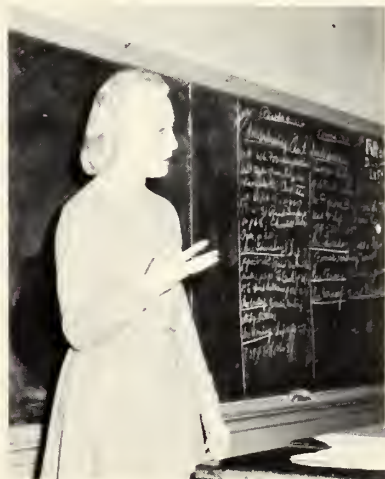

DEDICATION

To Miss Mary M. O'Connell

For her energetic teaching and vivid presentation of English; her reserved yet cordial manner to students; her enkindled enthusiasm for her profession in her service to others,

The class of 1956 proudly dedicates its Year-book.

our principal,

APPRECIATION

In appreciation of his professional acumen, his practiced qualities of manliness, and his continued interest in us, the Class of 1956 acknowledges its sincere gratitude to Mr. Charles H. Downs, administrator, advisor, and friend.

"The best orchestra in years," says Mr. Einzig about one of the better known organizations in the school. If you passed room 75 on Thursday or Friday during the sixth period, you would hear the orchestra rehearsing for some school function. This club furnishes music for assemblies, the Dramatic Club show, and graduation. This year, for the twentieth time, the orchestra and the Gilbert and Sullivan Club have given their annual performance. Presented in April was *Babes In Toyland*, the peak of achievement of the year's work. For the first time last year, officers were chosen for the orchestra and dues

were collected. The dues finance the purchase of pins, which are presented to the senior members of the orchestra, who are completing their third year as a member.

The orchestra of 1955-1956, which will soon become a thing of the past, will long be remembered as one of the best orchestras Arlington High has ever enjoyed.

CHRONICLE

The *Chronicle* has proved through the years that it is of vital importance in our everyday school interests and activities. Under the able leadership of Mr. Sampson, the faculty adviser, and its ever-capable staff, the *Chronicle* serves as a medium to promote interest in recreational activities. The ever-popular "Scene Around" has for many years held much interest in the newspaper along with the numerous articles. Those who work on the staff deserve a great deal of credit for work that certainly has been well done. The student participation has grown considerably in the past years. This proves the *Chronicle* is important in bringing together everyone in Arlington High School. Furthermore, the *Chronicle* has done a terrific job in crediting all athletic teams and clubs for wonderful sportsmanship and ability in their fields; whereas, very little praise has been given the staff of the newspaper. Now is the time for us to give credit to all who are behind the scenes in the business, editing, typing and advertising departments of our school newspaper, the *Chronicle*, whose staff greatly appreciates the work of the student contributors.

DRIVER TRAINING

One of the most hair-raising and memorable activities of the senior year is Driver Training Course. To qualify for the training the student must first take a course in Driver Education; most pupils do so in the junior year in order to be ready to go behind the wheel in the senior year. The first day at the wheel finds the student with mixed feelings of fear and delight while his fellow passengers share a feeling of horror. With calm reassurances, Mr. Frank Kotchin, our patient and understanding instructor, helps each new driver overcome his nervousness. Although the student encounters many frightening experiences, he is soon surprised to find that he is able to think calmly and make his own

decisions. The majority of the students become proficient drivers within the six-week course; then they go through an agonizing test day on which most receive their licenses. The informal atmosphere of Driver Training makes it a most enjoyable class. Seniors are fortunate in having such invaluable training offered so pleasantly.

CHESS CLUB

If anyone passes Room 5 or the Library on Friday, 7th period, he will see some people vigorously studying checkerboards with some strange pieces of plastic or wood on them. Believe it or not this is a game called chess. If this person went in and watched for a while, a long while, he might see some of the pieces move if he's lucky. Yes, this is the A.H.S. Chess Club in action. The Chess Club has two functions: To teach the students to play chess and to have chess matches. The latter are played with schools in and around Boston such as Roxbury Memorial, Brookline, Newton, Boston Technical and Boston Latin. The team has different numbers of players each year according to the outcome of a meeting. This meeting, with representatives of each school present, makes up schedules, votes in or out of the league other schools and determines the number of "boards" which there will be in each match. A "board" is one game and a match is a whole meeting of two schools. There have been different numbers of players each year; five, seven and ten this year. Mr. Sampson and his Ford station wagon transports the howling mob — or team to the different schools. The Chess Club provides fun for quite a few students and is well worth the time put into it.

The Gilbert and Sullivan Club has always been one of Arlington High's gayest and most successful organizations. Past performances of such shows as "The Gondoliers" and the "Blue Star Revue of 1954" insure its popularity; and this year's production of Victor Herbert's "Babes in Toyland" was one of the best ever. In addition to performers seen in past shows, many new personalities appeared in this year's production. With one of the largest memberships among school clubs, it is one of the most enthusiastic, with everyone giving full co-operation toward a superb production. Under the guidance of L. Hassler Einzig, club members share many happy memories of dress rehearsals, opening night excitement, outings in June; and especially they share a gratitude for Mr. Einzig's generous assistance and friendship. The school is proud of this outstanding group and will long remember their performances with pleasure.

DRAMATIC CLUB

This year the Arlington High Dramatic Club presented for its annual production, *The Ghost Train*, a thriller-diller mystery comedy in three acts. The play was presented Friday evening, January thirteenth, at the Junior High East auditorium. A special matinee performance was given Thursday, January twelfth, for all junior high and grammar school students. Thanks to the undying efforts of our fine director, Mrs. Sampson, *The Ghost Train* was a tremendous success.

In March we entered the competition of the Massachusetts Regional Drama Festival. The Drama Festival is an annual event comprised of a number of different schools each presenting in competition a one act play. From this group two are chosen to present their plays along with others at the John Hancock Building in Boston. Again, two winners are chosen, but this time to represent Massachusetts in the New England Drama Festival.

Having closed the doors on a very successful and fruitful year, we would like to extend our heartfelt thanks to all faculty and student managers, without whose assistance our success would not have been possible.

The Senior Class can really feel that this club belongs to them because it was started in their sophomore year. With the leadership of Miss Richmond, who also came to A.H.S. in 1953, it has become an important group in our school life.

There are about thirty members from all classes who give one study period a week to help in the library. It gives them a chance to learn library procedure and skillful use of library facilities at the same time they are helping their fellow students.

Once a month a general meeting is held to plan club projects and activities. Individual committees are at work all the time to keep the library running smoothly, to see that the bulletin boards are decorated, and that the library gets adequate publicity.

Each year the Corps has sponsored projects to benefit the school, including the memorable candy sale. The most successful was the gala Book Fair of 1955, featuring a book exhibit, a book sale, and interesting special exhibits.

Members work hard but it's not all work and no play. In 1953 the club was entertained by the Lexington High Library Club, and there is an annual outing. This year the club had a big Christmas party in the library.

The Read, Review, and Talk Club is an informal group whose main purpose is to bring together those students who enjoy both reading and discussions. Under the name "Book Reviewers," this club originated a few years ago at A.H.S.

The club meets the second and fourth Tuesdays of every month at Robbins Library. Miss Grace Richmond, the A.H.S. Librarian, and Mrs. McQuaid, the young peoples' Librarian at Robbins, are present at each meeting and help keep everything running smoothly. A cozy atmosphere is added by the serving of refreshments during the discussion.

On alternate meetings book reviews are given by four members. These reviews are usually on very new books, some of which are so recent they have never been catalogued. Often copies of one book are given to several people to read, and at the next meeting each person gives his opinion of the book. This type of discussion always proves to be very interesting.

At other meetings movies are shown, some for pure enjoyment and others for discussion. These movies range from teen-age problems to African hunting.

This A.H.S. Club has succeeded in giving every member the opportunity to express his own ideas and feelings.

Under the capable leadership of Mr. Donald Sullivan our Glee Club has had a very busy and successful year.

During the past year the Glee Club has sung at the Red Feather speaking contest, school assemblies, and at Melrose High School. The Glee Club also appeared in the annual Christmas broadcast which was featured on WMEX. The sextet made its first outside appearance of the year at the Cambridge YMCA Christmas banquet.

Because of the large turnout this year, the club was divided into two groups — Group A and Group B. Group A consisted of last year's members and Group B included new members. Meetings have been held on Monday afternoons in Room 75.

We know that the members have gained some wonderful experience while the student body enjoyed many programs of unforgettable listening pleasure. We hope that in the years to come the Glee Club will continue its fine work. •

Radio Club is the organization which gives the opportunity to get a radio license to boys and girls at A.H.S. Under the supervision of Mr. Pine the beginners are first taught the code. Then comes the more interesting part of the work. It is great fun to be able to know how to operate the transmitter. You also get some theory. This gives one satisfaction and self-control; brings up your hidden abilities. Nobody has to have brains or great understanding of machines to be a member of this wonderful club. In fact, the radio shop holds more kids from the high school than vocational every week.

When it is time, you take a test and get your license in a wink. This is because the members with licenses have prepared you for it so well! The call letters of our school are WIEWQ.

Next year's members will be waiting for graduates' calls. I am sure all the seniors will remember good old WIEWQ once in a while. Eh?

LUNCHROOM CREW

No school organization deserves more credit and has received less commendation than the lunchroom crew. Under the competent leadership and guidance of Miss Campbell, the supervisor of the lunchroom, they have, day after day for nine months, managed to maintain the cafeteria as sanitary and as well-controlled as anyone could imagine or demand. Along with their assistance, the kitchen help has served us tempting hot-plates and delicious sandwiches. The lunchroom crew, itself, has sold us our milk, operated the cash registers, and then cleaned up after we had finished eating. Unmistakably, the boys who have worked so faithfully and willingly with Miss Campbell in the cafeteria should receive more gratitude than they have experienced for their unceasing and ever-faithful service to Arlington High. Therefore, we would like to express our thanks and appreciation for their important and impressive place they have played in our Arlington High School experiences.

Under the capable supervision of Mr. Joseph Coletta, the Fine Arts Club provides everyone with an interest in art, an opportunity to express himself creatively. The club is not limited only to those with definite artistic talents, but it is open to those who enjoy working in various fields of art simply as a hobby. The facilities of the art department are open every afternoon to members of the club. All the art work in the yearbook this year has been contributed primarily by the members of the club.

The Fine Arts students were also responsible for the paper maché "Manger Scene" erected on the office floor at Christmas time.

Field trips to exhibition galleries and art museums, visits to lectures at the Boston Art Museum, and films pertaining to art are included in the group's program which emphasizes the development of art appreciation.

The experience gained by the members will certainly prove worth while to those who plan a career in art for the future.

LATIN CLUB

The Latin Club is really the high school's most distinguished organization, since only those students who have completed four years of Latin are eligible to become members. Anyone walking along the third floor corridor on the first Monday of each month will hear powerful strains of Latin resounding from room 26 as this year's *Cōnsul Prīmus*, David Bradford calls the meeting to order. He conducts the business of the meetings with the very able assistance of Miss Dorothy Rounds, and, of course, all meetings are carried on in Latin. The entertainment is planned and presented by the two *Socii Lūdōrum*, Norma Hewey and Paul Borghesani. The club funds this year are in the capable hands of the *Cōnsul Secundus*, Paul Jennings, and the very efficient *Scrība*, Dorothy Reuter records all the meetings. This year's members call themselves the *Decem Fortūnātī* and have chosen as their motto, *Labor ipse Voluptās*. They have two major projects planned for this year. First on the agenda is a study of the tasks of Hercules, and second, research into the numerous myths relating to Jupiter. The year's events will be climaxed by the annual Roman Banquet late in the Spring.

DEBATING CLUB

The Debating Club, since it was just formed during the past year, is the newest addition to the numerous clubs. Along with sports activities it goes to make up the well-rounded program of extra-curricular activities that is offered here at the high school. The idea of having a debating club was first conceived by Bill Caldwell and he, under the direction of Mr. Petralia, proceeded to organize our first debating club. It now has been found that the debating club offers a wonderful opportunity for those who enjoy public speaking, and that it offers a chance for those who have difficulty speaking before an audience to overcome their shyness.

Among the various debates presented this year was whether we should add a new wing to the Junior High School or to the High School.

PROJECTION CLUB

About every week or so, the History and Social Studies classes get out of a period. To what do they owe this joyous occasion? A moving picture. Yes, the Projection Club is the friend of all A.H.S.'s hard working students who want to skip a period of class work. Who makes this possible? The Projection Club. Mr. Thompson sends one of his highly trained experts into the room and we sit back to enjoy the film. If it breaks there is only a half an hour delay while one of the Seniors gets out of his classes to come and save the day by splicing the film. The Projection Club under the direction of Mr. Thompson controls every camera and screen in the high school. This consists of several projectors and screens which are used for movies. There is also a large slide film section with projectors and a wide variety of films. Mr. Thompson starts with the Sophomores and by the time they graduate in June, three years later, they know all there is to know about running the projectors. A.H.S. is successfully keeping up with other schools in the use of audio-visual aid and this is due to the tremendous work of Mr. Thompson and the Projection Club.

THE STUDENT COUNCIL

The great strides which our Student Council has been making for the past few years become even greater this year. Our council can be considered a success in every way possible. The enthusiasm and spirit of co-operation of its members are qualities of which we well can be proud. The council this year assumed more responsibility than it ever has done before.

We were privileged to have as our honorary member our foreign exchange student. A reception was held in her honor to introduce her to our faculty. With Gönül in the reception line was Lt. Gov. Whittier, our president, Dick Cahaly, and our vice president, Claire Meo. Through the efforts of the faculty and senior members, the names of four juniors were sent to the American Field Service. The council members also acted as ushers on both P.T.A. nights.

The adage that the Student Council is the major link between the students and faculty was proven to many people.

President Cahaly confers with vocational representative Bob Novello.

SPORTS

JUST THE GREATEST!

The 1955 football season at Arlington High School was truly one of the greatest in the history of the school.

Not only did we have one of the best quarterbacks in the state, Bill Birtwell, but also a superb end Brian McNeeley. Brian won the title this season as the most valuable player in Greater Boston and along with his brother Captain Tom, became the only two brothers in Boston's history to be chosen for the All-Star Team.

Paul Stuart gave a stupendous performance at center and was ably supported in the line by Sal Freni, Bob D'Auria, Bob Brosnan, Bob Lord, Steve Tavekelian and last but not least Captain Tom. As captain of this fine team Tom McNeeley was just the "greatest." His football ability and good sportsmanship led the Red and Gray squad through a very successful season.

Dick Patterson, captain-elect for next year, played his usual best as full back, making many a spectacular tackle on the gridiron. Bob Puddister held up the back field despite a knee injury received in the previous season and kicked all of Arlington's points after touchdown.

The season started slowly as polio cancelled the opening game. The Saturdays that followed were hindered by cold rain and snow. In our two defeats, Medford and Newton, which were played in the same week, we were handicapped by the tremendous loss of Paul Stuart at center who was downed by the grippe and Brian McNeeley, whose nose was broken. The remaining part of the season was successful for A.H.S. Defeating a very much favored Waltham team gave the student body, the team, and the coaching staff the confidence each needed. Spirited rallies were held at which "Lovable Captain Tom" spoke. When we met our traditional rivals, Melrose, on Thanksgiving morning, we defeated them, breaking the tie of games won in our long standing rivalry.

The honors that were bestowed on the group of boys reflects the hard work and patience that goes into the making of an excellent squad and a successful season. The action of these boys certainly set a shining example of good sportsmanship for this high school and will be a mark for teams of the future to shoot for.

Ready for the second half.

Here we come.

THE BAND AND MAJORETTES

The main function of the Arlington High School Band is to provide entertainment at various football games and rallies. Under the excellent leadership of Mr. Hermance, the band has spent many hours practicing new musical arrangements and drill work. At every football game whether the days were bright or gloomy, the band could always be counted upon to play the strains of the Red and Gray when they were needed most. Their hard work and school spirit has been greatly appreciated.

Also deserving applause for a job well done are the A.H.S. drum majorettes, who with their attractive new wine and white uniforms, have done much to create a picturesque setting at the many football games. Through the many hours of hard work, the majorettes under the leadership of Carolyn Ivester, have performed excellently through all types of weather. Any A.H.S. student can be proud to claim these talented majorettes as the leaders of their band.

THE CHEERLEADERS

Co-Captains "FRANKIE" WOOD
"MARYLOU" TREMBLAY

Under the capable leadership of co-captains, "Frankie" Wood and "MaryLou" Tremblay, the Arlington High School cheerleading squad has been tremendously effective in boosting morale and keeping up school spirit throughout the entire school year. Although weather was against us — falling snow, pouring rain, and severe cold — these twelve girls of the Red and Gray could be seen at practically every sport event from football through to hockey, cheering our teams on to victory. They spent hours of tiring practice each week to reach perfection and to learn new techniques. They planned and promoted three very successful rallies along with the fabulous, never-to-be-forgotten Football Party. These are among the activities sponsored by the A.H.S. "pepsters" to keep the pep and team spirit among the entire student body. To the cheerleaders of Arlington High School, who with their undaunted spirit and unfailing skill have performed their cheers so splendidly a great deal of credit and many thanks should be extended.

CROSS COUNTRY

Captain WILLIAM CALDWELL

This past year has seen the A.H.S. cross country team participating in a number of sectional dual meets. Arlington, a member of the Middlesex league, was represented in the state meet at Franklin Park, the League meet at Tufts College, and the divisional meet at Brandeis University.

With a regular varsity team consisting of five men, the Red and Gray showed spirit and enthusiasm in each contest. Captain Bill Caldwell performed in a stellar manner placing sixth in state competition. The team's outstanding members were Ted Richards, John Squires, Dave Wright, and Bob Zartarian. Next year Coach "Doc" McCarty has a number of runners returning to A.H.S. and should have a good team.

INDOOR TRACK

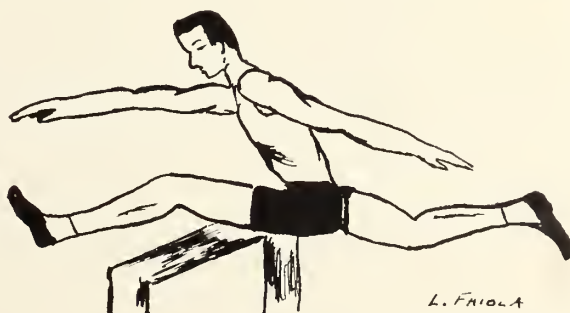

Co-captains CARL FREYER
JOHN MURPHY

A.H.S., represented in the Metropolitan League of Boston, Division 2, stands a good chance again of being one of the state's outstanding teams.

Excelling the 45 yard high hurdles is Carl Freyer, an "All American" in track; Freddie Buckley, superb in the 50 yard dash; Alan Poole and Bill Watson, taking the 600 yard run; all working together spell "victory" for A.H.S.

Other point winners include Paul Castaldini and Ted Richards in the 1000 yard run, Peter Gere conquering the high jump, Billy Caldwell setting a new record running the mile, and Carl Freyer really letting that shot-put go. The relay team consists of Murphy, Poole, Freyer, and Cullinane. If all goes well, they should come out on top.

Despite the limited practice areas, the incomparable "Doc" McCarty will not fail to turn out one of the best teams in the state. Although the competing teams have tracks of their own on which to practice, A.H.S. will definitely try their best and we know they will come out on top.

THE GIRLS' FIELD HOCKEY TEAM

Co-captain MARY SPRISSLER
Co-captain JOAN DOHERTY

Inspired by co-captains Mary Sprissler and Joan Doherty, the girls' field hockey team went through the season undefeated to win the championship for A.H.S. The defense and offense were equally as strong allowing only two goals to be scored against them and racking up a total of twelve goals for A.H.S.

The girls won the first five games of a difficult schedule which included Concord, Belmont, Winchester, Melrose, and Malden. This was accomplished by the experienced coaching of Miss Edgett, the team's endless practice, and the girls' enthusiasm. Encouraged by their previous wins, the team battled against their strongest competitor, Lexington, in the championship game. Since Arlington had prevented Lexington from being champions last year by getting a goal in the last twenty seconds of the game, Lexington was determined to do the same this year. Although the ball was in the Lexington goal zone most of the game, the game ended in a scoreless tie. The team was a little disappointed in a tie, but were happy to be champions.

If we can judge the results from this year's second team, next year should find the field hockey team champions again.

Congratulations girls!

HOCKEY TEAM

Captain MARTIN BILAFER

Although its inexperience was considered a liability, this year's hockey squad has enjoyed a successful season. An early victory over Newton bolstered morale, and good spirit and coöperation produced an excellent team which took advantage of the frequent outdoor ice for extra practice. Coach Edward Burns, who was himself a successful hockey star, has reason to be proud of his players. All of us who attended the games saw plenty of excitement and thrills; we were well rewarded for cheering our team.

GIRLS' BOWLING

During our three years at A.H.S. something new was added to our school activities which proved very successful. It was Girls' Bowling. The girls have met at the Arlington Recreational Alleys on Thursday afternoons, and under the capable leadership of Miss Veronica Barry, had a wonderful time. Each week teams such as the Mambo Bowlers and The Lucky Strikes compete against each other to make it extra exciting.

In 1953-1954 we began our first league competition. In 1955 we went to Waltham to bowl in the tournament. Only those who had the season's highest average could compete. Although many of our regulars were absent, we won both strings.

All the members of the team, from the top of the list down to the bottom, will never forget all the fun they had all year at Girls' Bowling.

BOYS' BOWLING

Although the boys' bowling team is something new here, it is very popular. The boys compete at the Regent Alleys every Tuesday afternoon. Each boy's score and average are recorded, and to make it more interesting, the alley gives away a dollar prize to the boy who can achieve a certain score. In addition to that, the boys contribute ten cents weekly toward a fund for a dinner at the end of the season.

This year trophies will be awarded to boys with the season's highest average, season's highest three strings, and to the school who wins the interscholastic bowling championship.

Although this is a new activity, we are sure that the enjoyment the boys have received from it will make it one of the most popular sports at Arlington High School.

GIRLS' BASKETBALL

Co-Captains NOREEN CALLAHAN
BARBARA KELLY

Arlington High School's girls' basketball team, under the capable and expert supervision of Miss Barbara Edgett, had a very successful season this year. Several of the members of this year's first squad who were members of last year's teams were Mary Sprissler, forward; Co-Captain Noreen Callahan, forward; Joan Doherty, forward; Co-Captain Barbara Kelly, forward; Connie Cargnel, guard; and Maureen Keohane, guard; all seniors. These veterans, with their able team mates Anne Fantasia, forward; Mary Tremblay, forward; Rita Hefron, guard; Mary Parrott, guard; and Frankie Wood, guard; also seniors, and three juniors, Anne Ronan, forward; Pat Geagan, guard; and Janie Walker, guard; competed against teams from Melrose, Somerville, Winchester, Belmont, Watertown, Lexington, and Cambridge. The second team, which was also very good, played the same schedule as the first team, and did equally well.

BOYS' BASKETBALL

Captain "BUZZ" BEARDSLEY
Manager JIM WATSON

Arlington High School's basketball team, under the able and expert direction of Mr. George Lowder, began the season with good prospects for a successful year, and did their best to live up to this early promise. The season's schedule included Winchester, Reading, North Quincy, Cambridge, Brookline, Waltham, Rindge, Watertown, Newton, and Tabor, with several of these teams being played more than once. The student body gave their enthusiastic support to the team, cheering them on to victory and second place in the Suburban League.

Their Captain, "Buzz" Beardsley, forward, with his competent teammates Joe Madigan, center, Billy Birtwell, guard, Jerry Crowley, guard, and Charlie Pigott, forward, all veterans of last year's teams, made up the first team. The subs were Paul Parr, Jack Young, and Leo McSweeney. A strong second team backed them up. High scorers were "Buzz" Beardsley and Joe Madigan, each with an average point score per game of 14 or better. Jerry Crowley averaged 10, Billy Birtwell 9, and Charlie Pigott 6. The team was a tall one, the average being six feet, one inch in height.

We can all be proud that Arlington did well as a member of the Suburban League this year.

GIRLS' SOFTBALL TEAM

Captain RITA HEFRON

Inspired by the capable coaching of Miss Barbara Edgett and the terrific display of accurate pitching of their captain, Rita Hefron, the girls' softball team worked diligently for a successful season.

At various positions were last year's veterans: Priscilla Pitts, Janice Welsh, Janie Walker, juniors; and Anne Ronan, Joan Doherty, Noreen Callahan, Barbara Kelly, Janet Sullivan, Mary Sprissler, and Rita Hefron, seniors. These players were backed up by several good players from the sophomore ranks.

They competed with teams from Lexington, Belmont, Winchester, Melrose, Concord, and Malden.

Their nimbleness and agility in making plays and their accurate throwing helped the team to prevent many runs from being scored against them. Rita Hefron's pitching was terrific, and her fast ball left the opposing players hitless, adding many strikeouts to her already spectacular record.

Very few of the visitors' rare hits got past the Arlington infield and the A.H.S. girls, with their powerful hitting, racked up quite a few home runs, triples and doubles, not to speak of the many singles, with the batter reaching first.

We are all proud of the record the girls made this past season and we wish all future A.H.S. softball teams the best of luck.

Early next spring, as in the past few years, anyone might have the chance to hear some Arlington High School students yelling, "Fore!", at the Winchester Country Club. These students who would probably be members of the Golf Team are more than qualified to be on a golf team as most of them have been caddies at one time or another. Under the training and leadership of Mr. George Lowder, the Golf Team usually has a very successful season. The Golf Team is a member of the Central Division of the Greater Bostonian Interscholastic Golf League and plays the teams of such schools as: Cambridge Latin, Concord, Rindge Tech., and Lexington. All of the home games are played at the Winchester Country Club, with six regular players and two or three substitutes at each game. According to Mr. Lowder, the Golf Team's most threatening rival next spring will be Concord, but with Arlington High behind them, they will probably overcome this team and all their other opponents.

TENNIS TEAM

One of the comparatively unsung groups at A.H.S. which really works hard is the tennis team. In our sophomore year Miss Willard coached the team, last year Miss Jeffreys did the job, and this year Mrs. Pierson, who worked hard with many girls this fall, will be the coach.

Last year the team did very well and everyone is hoping that they will do as well or even better this year. Ruth Cooney, who did a wonderful job as a sophomore, probably will play the number one position and there are many seniors who with hard practice will make the team. Some of these girls are Eleanor Keating, Norma Pitula, Maureen

Keohane, Debbie Keith, Janice Gilfeather, Judy Harvey, and Martha Dickey. Everyone is hoping that other seniors and many juniors and sophomores will come to practice because they have a good chance to get on the team and will be very welcome.

The girls start to practice in January or February in the gym and move outdoors as soon as the weather permits. Their schedule is similar to that of the girls' softball team and the two teams travel to different towns together. Home games are played at the Spy Pond Playground courts. This team works hard to represent A.H.S. well and we wish them the best of luck in 1956.

THE GIRLS' ATHLETIC ASSOCIATION

President RITA HEBRON
Vice President JANE WALKER
Secretary ANNE RONAN
Treasurer ANN FANTASIA

The Girls' Athletic Association or G.A.A., as it is fondly called by its members, is an organization devoted to the encouragement of girls' athletics. Membership is attained only by having participated in some athletic event previous to filing an application.

Many fun-packed events were conducted for the G.A.A. this year. The first activity was the initiation, during which the new members were compelled to dress and act as ordered by the officers for a day. Penalties were given after school to those who had disobeyed, and a party was held for all the G.A.A. members. Inspired by the success of the initiation, the girls held a Fall Field Day, in which the juniors and sophomores strove unsuccessfully to beat the unconquerable seniors in a variety of sports. The Christmas party with Priscilla Pitts as Santa Claus was a big success. Following this was the G.A.A. Amateur Show, in which a great deal of good talent was displayed. To complete the season a beach party was held at Nahant.

This year's G.A.A. owes its great success to the capable leadership of Rita Hebron, the co-operation of Miss Edgett and Miss McCarty, and the careful planning of the officers.

THROUGH THE YEARS

It was a warm morning in September, 1953, when we first entered that unexplored region known as Arlington High. We had no idea of what lay ahead of us, but we promised to stick together to the end. Who are we? Why we're the Class of '56! You must have noticed us peeking around corners or talking in classes. Quite a lot has happened here in these halls of learning. Let me fill you in on the details.

It all began, as I said, on a September morning, when we were welcomed into this new world and took our first walk down its seemingly endless miles of stairs and corridors. For a while we wandered around in a daze, looking for those apparently non-existent classrooms or for an elevator that "just must be around here somewhere." At last we found our bearings and gradually settled down. It seemed things were going fine and then . . . report cards.

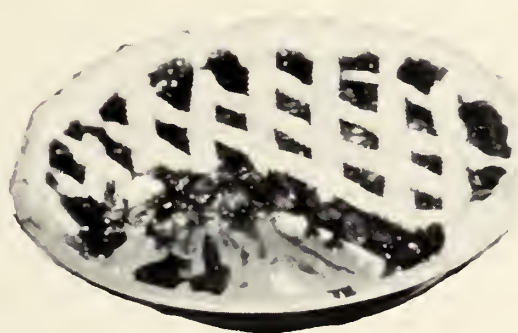

Now our latent talents were called upon, and we rehearsed for the Dramatic Club's production of *State Fair* and tried our vocal talents in *The Gondoliers* which was put on by the Gilbert and Sullivan Club. A G.A.A. initiation showed many of the sophomore girls how hard it was not to speak to a boy for a whole day.

Slow but sure.

A great success.

The pie that won for "Dot" Parenti a trip to Chicago.

Come and get it!

Time marches on, however, and before we knew it, the school year was almost over; and we looked forward to a summer of relaxation, but not before we had our first brush with final exams.

It seemed summer had just started when it was September again. In spite of various shades of tan or an added inch of height, we recognized our old friends and found them eagerly anticipating the events of the coming junior year. Together we cheered for the football team and read our *Chronicles*. We sang and danced our way through the Gilbert and Sullivan Club's thrilling *Blue Star Review of '55*; we laughed at the Dramatic Club's hilarious *The Goose Hangs High*. Time flew by like a feather in a hurricane and soon May was upon us.

All of a sudden some changes took place. Some of the boys noticed some new creatures around A.H.S. called girls. Something was in the air. Boys talked of "getting Dad's car" and started counting their money; girls chatted for hours about "that beautiful gown." Finally, after an eternity of anticipation the night came, and we all started out to have a wonderful time at the Junior Prom. When talk about the prom had died down, some of us had our first tangle with Scholastic Aptitude Tests. The time had now come to bid a reluctant farewell to our many senior friends, and after a not too brief visit with final exams, we spread out to the four winds for another summer.

and the pursuit

Then, inevitably it was September again, and we returned to A.H.S. with a certain amount of that prestige that is a part of being a senior. Now things started to roll swiftly. Many of us had already taken our turn to make faces at a camera while our class picture was being taken. We elected our class officers, started counting points, sent in applications to colleges and advanced schools. Many of us also took part in the test of nerves known as going out for a driving license. In the spare time we didn't have, we joined more clubs, worked part-time, and played or rooted for our teams.

We paused in our activity to bid a sad farewell to our friend and classmate, Bob Lincoln, who died in January.

In January, we had more Scholastic Aptitude Tests, and in March we had Scholastic Achievement Tests. April was now

here and the pace quickened still more. The Senior Prom, with all its beauty and splendor, and of course, the after-prom parties engaged most of our attention. Then, Year Books came out, with everybody scrambling for everyone else's signature. Now, Class Day came; and in conclusion the big day itself, Graduation.

It was then that many of us realized how much Arlington High had meant to us. Though we were glad to be out on our own, we left this world of memories with regret, for we knew that we were leaving part of ourselves behind, too.

Well! It was wonderful to come back and reminisce about all the joys that we have known here. They have truly become a part of our lives. Now in parting, let us not say goodbye but rather, "Until we meet again."

Bright faces — quick minds

CLASS PROPHECY

On June 5, 1986 I happened to pick up a copy of the Arlington Clarion edited by Mary Parrott, and much to my surprise I saw many familiar names of members of my high school class of 1956. Wouldn't you like to read a few pages of the news about your classmates?

There was quite a bit of excitement at Joanne Bowser's zoo last Sunday. It seems that the nine sons of Mr. & Mrs. Fred Ryan (the former Bev Brown) were the beavers who were trying to play hockey on a tray of ice cubes. Assistants Joanne Stacchi and Marcia Bowman had a hard time quieting down the youngest son of Robin, the zoo's largest beaver — Robin's son. According to trainer Mel Princiotta, he's a real terror.

The latest T.V. Panel Show consists of many A.H.S. graduates including Charles Babcock, that eminent photographer, Sally Corey, famous concert pianist, John Bonner, renowned expert on Southern culture, David McKiel, psychoanalyst, Allan Wilson, a frantic disc jockey, and Robert Harmon, moderator. The panel's project is research in which came first, the chicken or the egg. Diane Weber, Mildred Marshall, and Betty Welch do the commercials on this popular show. They advertise Mrs. Fletcher's Toupee kits for bald men.

Bill Ziminsky and Sam Warnock play the leads in the modern Range Rider and Dick West series, "The Next to the Last Cowboys," driving Jaguars. Peter Harney and Norm Harrow direct the show. David Battite, make-up artist, makes these dashing heroes "sigh bait."

Rita Manoli and Dottie Moeller doing a sister act made their first T.V. appearance. Also on this show are Rich Cahaly and Helen Samoorian with their magic violins.

Ken Heavey has a night spot on video portraying the modern Dunninger. Lovely Pat Conner is his assistant.

Bobby Lord and Grace Johnson have just won the Academy Awards for their realistic performance in "Rebel With a Cause," written in iambic pentameter by Ronald Reynolds.

From our Hollywood agent Ruth Carter we hear that Dave Burke has just been given the lead part in Arthur Butt's drama entitled "Claire on the Tobacco Road." Burke has a personal interest in this story.

A new night club was just opened in Boston by John Riley. Opening night's show included appearances of actress, Betty Thyne, Sandra Miles dancing to the music of Billy Radochia and Ken Sharkey. Jeanette Petrucci was featured vocalist, and Jackie Young presented his singing dogs. Brian Kelly ably announced the show.

On the sports page I saw where the main event in the boiler room tonight is a wrestling match between Thomas Butcher and Gorgeous George. Joe Jablonski is now playing outfield for the Spy Pond Bloomer Girls. Ronald Dillman is a hockey star in the Boston Gardens. Dickie Olsen's newly designed sports car, driven by Dennis Campbell, has just broken all speed records at Dave Cate's foam rubber, accident proof race track.

Rita Hefron, Barb Kelly, Noreen Callahan, Joan Doherty, Rita Knowles, Laura Meadows, and Rosemary Stone, professional Softball team, have just won the Olympic Softball Title. The girls were ably coached by Dan Marino and Mike Denaro. Also present at the games were Gibbi Keating and Robert Koch in the tennis competition. Ritchie Crowley and Joe Madigan were high scorers on the U. S. basketball team. Diane Finlayson easily won the bowling trophy for the U. S. Margaret Johns has just become acting manager of the Red Sox.

Miles Joyce, Paul Parr, Ronnie Pannesi and Richard Scribner have just broken the sound barrier with their typewriters.

Ralph Covenor has just been named Champion Typist of 1986. His speed was 620 words per minute. A real credit to Miss Thompson.

The local union of Vocational High graduates had a reunion, and have the following reports about the Class of '56. Joe Cuggino is head engineer of an R.C.A. plant. Also in the executive capacity are Bill Stanger, Sales Manager of Westinghouse in New England; Ed Graziano, president of his construction company; and Ed Sarkisian, president of the Peruvian Pickle Company. Vern Barry, owner of a chain of fruit markets wanted to compare notes with Bob MODOONO who owns a super market chain, but Bob had to baby sit for his six children. Talking over old times were Dave Wright, who with the help of his three sons, runs his own drugstore; Charlie Giles, owner of a national trucking business; and Harry Aiken who owns a garage, and has one of the best wreckers in town. These boys agreed that it was too bad that George Starkey couldn't show up because he was in Alaska prospecting for uranium. Joe Nagle gave the services of his taxi fleet to drive the boys to Town Manager, Bob Novello's house for the reunion. When traffic got heavy, policemen Shaun O'Halloran and Dave O'Leary cleared the way on their

and our hopes

motorcycles. Food was supplied by Al Feeley's New York Restaurant, and everything else was paid for by Edward Ridge, who has become a Wall Street millionaire. Also present were Air Force Captain Phil Gradie, drive-in king Walter Glasspool, Pete Errera who is doing well running his supply company in Newton, and famous Judo teacher Mel Lantigua. Ed Definski who owns a clothing store, got many orders from the boys for his internationally famous zebra striped suits. Robert Sabbag and Bry Patten enjoyed a quiet game of checkers. Entertainment was graciously supplied by that star of stage, screen, and television, Ralph Della Grotte, Frank Larson, head cartoonist for the Boston Globe, and by the stories of Winston Tripp who conducts evening embalming classes for undertakers. The reunion ended at Robert Tramonte's wife's Pizza House, when all agreed to have another reunion in ten years.

A gala ball was held in the A.H.S. cafeteria in honor of the Turkish ambassador to the U. S. Gönül Sipahi. There was dancing to the music of Sal Freni's Rock and Roll Band which is currently playing at the Pete Hill's Haven. The band includes: Dick Buxton, solo trumpeter, and Terry O'Leary on clarinet. Paul Seery on the saxophone, Peggy Haley, who enlivens the place with jokes, and silky Bev Warnock, who charms them with her lullabies. The occasion also served as a coming-out party of socialites Claire Stearns, Cindy Slagle, Carolyn Stone, Lois Toebes, Joan Wilkie, and Linda Faiola. Those dashing Romeos about Town, John Lane, Eric Humphrey and Lawrence Jean were also present.

Flash from the Mardi Gras in New Orleans. Several prize winning costumes were worn by A.H.S. Alumni. Clifford Larson came in first dressed as Rudolph the Red Nosed Reindeer, and Jimmy Fowler as Romeo with Carolyn Pike as Juliet as a close second.

Roger Litchfield's and John Soares' Milk Bar is doing a tremendous business during the festival with Carol Koulis, Pat Woodbury and Judy Coleman as waitresses.

Linda Brooks, Mary Brosnan, Sandra Mowat, Mary Collins, and Pat Abbott have just returned from visiting Judy Winkley, who now happily married, lives in a small castle in England. Judy's neighbors include: Duchess Connie Speedie and Countess Virginia Sousa.

Ruth Robinson now models Judy Faruham's and Muriel Elder's original fashions. By the way Tony Santos has been picked the best dressed man of 1986.

A tea was given to Tuft's newly appointed professors Tweedie, O'Day, O'Connor, and P.H.D. James Rice. These brilliant men are teaching ceramics and basketweaving to failing freshmen.

Flashes from Paris reveal that Doris Ouellette, Anna DeSimone, Debby D'Amore, Pat Corbin, and Judy White have taken up Bohemian living in a garrett on the Riviera where they are devoting themselves to art. Paul Gilfeather, Joe Femia, Leo McSweeney and Carle Murray, being patriotic Americans, have taken up the cause of these fair maidens.

Judy Harvey, Sandra Canzanelli, Judy Goodenough, and Janice Gilfeather have just returned from Switzerland where they were dined, wined, and wooed by four handsome Swiss counts. Oh these Continental men.

Peter Bertocci and Norma Hewey have founded a modern Vergilian School in Rome. Ed Alessi, Dave Banach, James Mancherian, Bob Johnston and Bruce Warner have just returned from visiting Mr. Fusco, who after inheriting four million dollars, retired to Samoa in the South Seas. Easy-going Herbie Fitzgerald and Leon Martel enjoyed the climate so much that they have stayed on with Mr. Fusco.

Fred Wharton, Joe Mahoney, and John Walsh have set up a billion dollar mouse-trap business. Billy MacDonald is sales director with Fred Viney as head of advertisements.

Joanne Freeman has just opened a stable in Kentucky and plans to breed horses.

John Rivers, John Ronan, Rodney Roderick have formed the 3 R's Steamship Line. They have just signed a contract to transport Schuhmacher's shoes and Sindoni's self-winding spaghetti to Herbie Wallace's general store in Alaska.

Mary Tate is now private secretary to billionaire banker Dave Leonard. Leonard's vice-president, Charlie Caruso, also dabbles in stocks with Sahag Johnson's Wall Street firm.

Under the leadership of rocket navigator, Paul Cullinane, civil engineer, Bill Morton, contractor, Rich Galluzzo, a colony has been set up on the moon. John Perry, millionaire, is financing the project. Some of the first women to brave this adventure are Janet Marchant, Muriel Steeves, Barbara Seibel, and Barbara Nixon.

Tom McNeely has just written an English grammar book entitled "What We Had Did." He was ably assisted by Bob Puddister, Fran Elcewicz, and Charles Murphy.

John Fahey has just been made principal of A.H.S. Paul Nocivelli has been appointed head of detention hall.

for the future

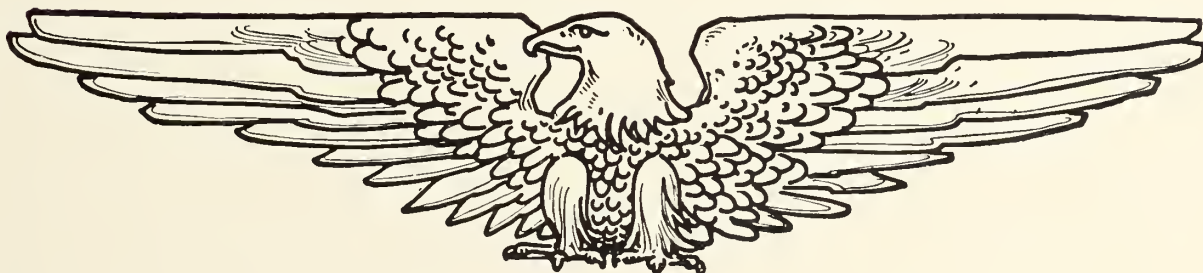

A.P. flashes tell us that the A.H.S. Chemistry Lab has just been blown up by Robert Donnelly and Arthur Creelman.

A part of the new addition at A.H.S. is a deluxe cafeteria. George Bartlett serves carrot juice, molasses, and wheat germ at the health bar. Dietitian, Nancy Bolduc, has set up a menu whereby for twenty five cents there is a choice of steak, lamb chops, roast turkey, or pheasant. Bobby Caterino is head of the juke box service. Neil Harold is head waiter and Judy Harney is hostess. Herbert Farnsworth and Sandra Coy give dancing lessons during the hour recreation after lunch.

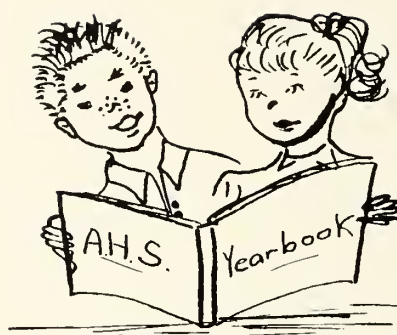

The new teaching staff includes Philip Kearney as head of the English department; Pauline Moloy in charge of the two hour recreation period in which group singing is led by Mary Richmond. Joan Peters now head of the Latin department, has set a new trend in schoolmarm's duds by wearing Bermuda shorts. Pauline Maffa and Bev Geldart and Shirley Gibb also on the A.H.S. faculty are conforming to this style.

After reading about my successful classmates, I settled back to read the funnies.

LATE FLASH! Handsome Doctor Paul Borghesani has after extensive experimentation found "the ideal woman". Also from the medical world we hear that Dottie Reuter is in all her glory as head of MIT's infirmary where oddly enough, she says she doesn't need a slide rule.

Robert Lincoln

In Memoriam

We of the Senior Class were certainly fortunate in having such a boy as Robert Lincoln as one of us. "Bob" was a boy who always wore a pleasant smile. Although he couldn't participate in extra-curricular activities, his heart was full of loyal spirit. He could always be depended upon in time of need, and he never had a harsh word for anyone. When "Bob" wasn't consciously thinking of his schoolwork, he enjoyed skating and skiing. Among his closest pals, "Bob" was recognized as an enthusiast for the outdoors with his greatest love in boating. To "Bob," no problem was too big or too small to be solved. He enjoyed the closeness and intimacy of his family life and was an active participant in church activities. He was a perfect gentleman and a fine credit to his family. To his teachers, classmates, and close friends, Robert Lincoln will always be remembered as a gentle, fine person.

We, the graduating class, with sincere prayers, dedicate ourselves to peace, brotherhood, promotion of democracy and equality, and the true standards of our youth.

Patricia Abbott
42 Everett Street

"Sensibility is the power of woman."

"Pat's" spare time was spent on horseback on some bridle path. In keeping with her sports' interest, "Pat" always was a football supporter. We expect to find her next year at Katharine Gibbs.

Harry Gene Aiken
102 Mishuam Road
Woburn, Massachusetts

Alternate member to the Student Council

"No care beyond today."

Next year will find "Harry" entering the Coast Guard. Mr. Abbott's Bowling League and Mr. Luongo will be lasting memories to him.

Edward E. Alessi
6 Parker Street

"The world hath need of quietness."

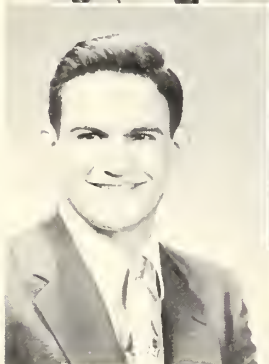

"Ed" has many fond memories of A.H.S. which include his Mechanical Drawing class with Mr. Skinner. Football and swimming are his favorite sports. "Ed" plans to enter Boston College in the fall.

Sylvia H. Amodeo
19 Pine Street

Chronicle

"Sweetness of disposition charms the soul."

"Syl" likes dancing and bowling. When she is at Boston State, "Syl's" memories of A.H.S. will include the fun she had in Mr. Cavalieri's homeroom.

John Fortune Apprille
70 Decatur Street
Hockey, Baseball

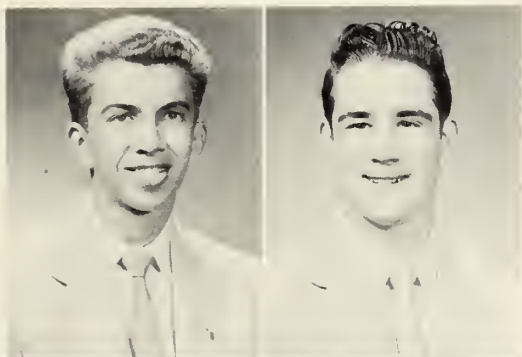

"Play the game square."

Hockey and baseball are John's sports. While attending Harvard next year, his thoughts will often "skate" back to the 1954 hockey team and Coach Burns.

Virginia Susan Arnold
157 Medford Street
Glee Club, Chronicle

"There is truth in innocence."

"Ginny" likes sports from ice skating to softball. She will always remember the fun she had as a junior in Mr. Cavalieri's homeroom. She hopes to be flying high with an airline in the near future.

Charles William Babcock
287 Appleton Street

"Thou art worthy of our applause."

"Charlie" likes roller skating and drawing. He will always remember Mr. Danforth's mechanical drawing class. "Charlie" will be found at Northeastern in the fall.

David Robert Banach
60 Mystic Street

"A gentleman in speech and manners."

"David," handy with a rifle, likes to hunt. He knows that no chemistry class at Northeastern can be as lively as his at A.H.S. when fire was set to the waste paper basket.

Vernon Dale Barry
23 Court Street

Vocational Student Council

"With a drop of the flag — he was gone."

"Chaplain" enjoys baseball and racing. As an automobile enthusiast, he will long remember Mr. Kirk's road test. He plans to go into car testing himself, after studying at General Motors Institute.

George Bruce Bartlett
258 Forest Street

Projection Club, Bowling Club, Stamp Club

"Private sincerity is a public welfare."

George enjoys bowling. Although it turned out all right, he still will not forget the time Mr. Downs called him to his office. George plans to enter Tufts.

David Anthony Battite
22 Huntington Road

"Soon we'll be far from this toil and care."

David's favorite sports are swimming and baseball. The teachers and the crowded lunch room will long remain memories to David. He plans to attend The Bentley School of Accounting.

Donald Edward Beardsley
20 Wellington Street

Basketball, Golf, Cross-country

"He has the happy gift of being agreeable."

"Buzz" likes bowling and is a hunting enthusiast. He will long remember not graduating in 1955, but he has had great times as a member of the '56 class. He plans to enter the University of Maine.

Neil Edward Beaton
56 Menotomy Road

"Shoo fly, don't bother me!"

Miss Brown's English classes will be one of "Satch's" most vivid memories of A.H.S. He enjoys baseball and basketball, and plans to join the Navy.

Elaine Virginia Bennett
30 Robbins Road

"A gentle disposition wins for itself many friends."

Elaine plans to attend Chandler Secretarial School. She will long remember Mr. Cavalieri's home-room sessions and enjoys dancing, bowling, and rollerskating.

Mary Berberian
40 Fordham Street

Tennis, Bowling, Chronicle

"A merry heart maketh for a merrier countenance."

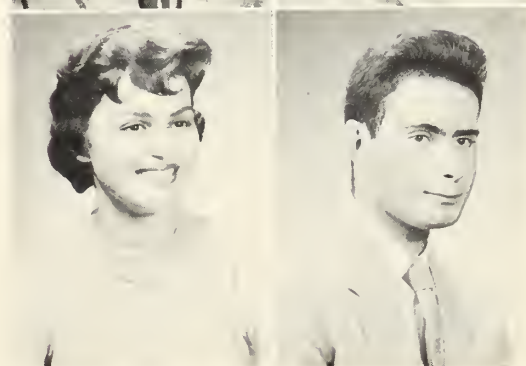

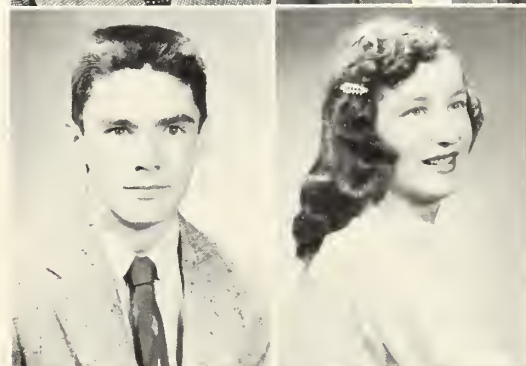

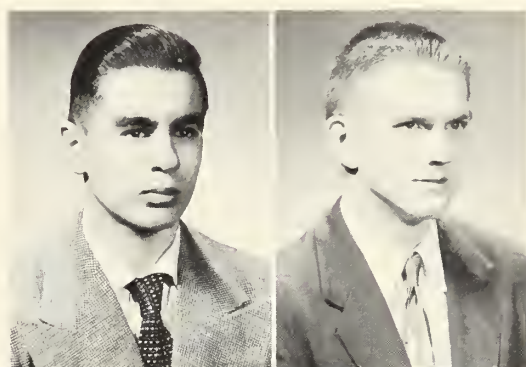

Mary enjoys dancing, bowling, tennis and watching the wonderful A.H.S. football games. She will never forget working in the clinic or being in Miss Binnig's class.

Peter John Bertocci
243 Park Avenue

Student Council, Latin Club

"As true as steel; as straight as an arrow."

Popular "Pete" will long remember the wonderful times and the many friends he has had in A.H.S. His favorite outside activity is Demolay.

Martin Francis Bilafer
158 Lowell Street

Hockey, Golf, Tennis

"His sole concern with work was considering how best to avoid it."

"Marty" plans to attend some college. Fishing is his favorite outside activity. He also enjoys playing hockey.

William Strand Birtwell
70 Margaret Street

Football, Basketball, Class Treasurer, Student Council

"Brains and brawn make a fine combination."

Mr. Lowder's World History class will remain most vivid in "Bill's" mind. He especially enjoys playing sports. Bill was our star quarterback on the great '55 Football team.

Nancy Anne Bolduc
16 Chandler Street

Chronicle, Dramatic Club

"Living and good living what do we want besides?"

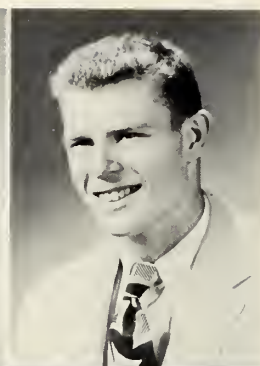

"Nan's" favorite activities are skating and dancing. She will long remember Mr. Skinner's Chemistry class. She plans to attend Framingham State Teachers' College.

Linda Elaine Boni
8 Oldham Road

Tennis, Chronicle, Art Staff of Yearbook

"A pleasant face is a silent recommendation."

Cute "Lin" plans to attend Framingham State Teachers College. She will always remember Mr. Coletta's art sessions. Her favorite activities are dancing, tennis, and skating.

John Robert Bonner
27 Park Circle

Bowling Team

"Quiet, willing, and able."

Mr. Arthur's Mechanical Drawing class will always remain vivid in "Bob's" many memories of A.H.S. He enjoys hunting, fishing, and baseball.

Paul David Borghesani
73 Columbia Road

Chronicle, Baseball, Latin Club

"There is no substitute for thorough going, ardent, and sincere earnestness."

Skating, swimming, and hunting occupy Paul's time outside of school. Next year he hopes to enter the College of Pharmacy. He will long remember his free weekends.

Rose H. Bowler
27 Central Street

Chronicle, Glee Club

"Much mirth, but no madness."

Dancing and bowling are "Rosie's" favorite activities. Next year she is planning to go to the Chandler School in Boston, but she will always remember the fun she had in Mr. Wallace's class at A.H.S.

Marcia Ann Bowman
145 Mount Vernon Street

G.A.A., Girls' Glee Club, Tennis

"Beauty is its own excuse for being."

Marcia likes to play tennis and to dance in her free time. What she enjoyed most was going to the hockey games in the Boston Arena.

Joanne Bowser
9 Grove Street

Field Hockey, G.A.A., Glee Club, Chronicle

"In all labor there is just profit."

Next year Joanne is going to go to Boston State Teachers' College. Her favorite pastime is just being with people. She went often to the Boston Arena to watch the hockey games.

David Frantz Bradford
331 Mystic Street

Honor Roll, Gilbert & Sullivan Club, Latin Club

"Gentle in manner, strong in performance."

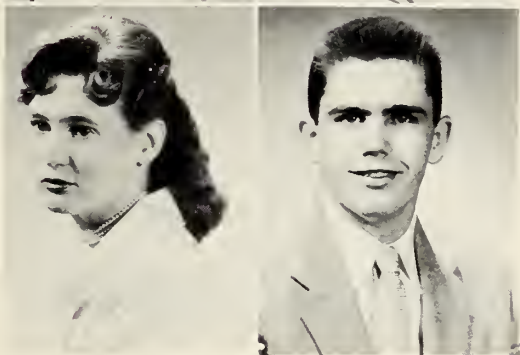

"Dave's" favorite outside activity is ice hockey, but DeMolay is very important to him. Mr. Danforth's Mechanical Drawing classes are something that "Dave" will long remember.

Elizabeth Jane Bredin
811 Concord Turnpike

"I follow the path of friendship."

"Liz" is going to go to Boston University next year after which she hopes to become an airline hostess. She will always remember Mr. Lowder's History class. Outside of school she enjoys ice skating and dancing.

Mary Frances Brosnan
93 Milton Street

"My secret is my own."

After graduation, Mary plans to go into radio or television. Her favorite outside activities are swimming and ice skating. She thinks that Miss Kelly's typing classes are "tops."

Linda Louise Brooks
28 Thorndike Street

Chronicle, Dramatic Club

"How sweet to remember are the days that are past."

"Lin" is going to become a nurse. Swimming and bowling take much of "Lin's" spare time. She will remember longest English with Miss Krastin.

Robert Francis Brosnan
52 Egerton Road

Football, Track, Chronicle, Camera Club

"A good sport makes life worth while."

"Bros" next year hopes to attend Holy Cross. He likes all sports in general and practices good sportsmanship in them. He feels that he will always remember graduation day.

Beverly Louise Brown
1494 Massachusetts Avenue

Chronicle, Tennis

"She was small, but, oh my!"

"BevaLou" hopes to attend Katharine Gibbs, after which she is going to be a secretary. Dancing, designing clothes, and Rainbow take up most of her spare time. She will long remember Miss Binning's shorthand classes.

Elaine Alice Brown
330 Forest Street

Bowling

"I shall laugh myself to death."

"Brownie" will always remember the A.H.S. football games and Miss Kelly's typing classes. After graduating this year she plans to work in an office as a Comptometer operator.

David Walsh Burke
65 Hillside Avenue

Sports Editor - Chronicle, Dramatic Club, Bowling, Track

"Gentle in manner, firm in reality."

"Dave's" spare time is taken up by skiing, swimming, and cars. He isn't sure what college he will attend, but he will always remember Mr. Danforth's mechanical drawing classes.

Arthur E. Butt
260 Highland Avenue

"Every Schoolboy knows it."

"Buttsy," who is headed for Northeastern, enjoys spending most of his time working on cars. We know that he will never forget the many happy times he had at A.H.S.

Richard A. Buxton
88 Highland Avenue

Amateur Radio Club

"Skill to do comes of doing."

"Dick's" activities include sports and DeMolay. His interest in amateur radio is highlighted by the memory of blowing fuses in radio shop. "Dick" plans to enter the Navy.

Richard F. Cahaly
43 Everett Street

Honor Roll, President of Student Council, Chronicle, Concert Master of Orchestra, Gilbert & Sullivan Club, Yearbook Committee, Track, Boys' Glee Club

"He is so good that no one can be a better man."

"Dick" will be studying chemical engineering at M.I.T. He likes dancing and swimming. Good times as President of the Student Council and in Mr. Eaton's mathematics class will be his best memories of A.H.S.

Noreen Mary Callahan
50 Florence Avenue

Honor Roll, Basketball (Co-Captain), Field Hockey, Softball, Cheerleading, G.A.A., Board Member, Student Council

"Wit now and then struck smoothly shows a spark."

"Cal," one of our best sport's girls, will be studying at Archbishop Cushing College this fall. She is full of fun, says that her sophomore initiation into the G.A.A. will be remembered by her always.

William Leo Caldwell
236 Highland Avenue

Class President, Student Council, Debating Club, Lunchroom, Captain - Cross Country, Track, Library Corps

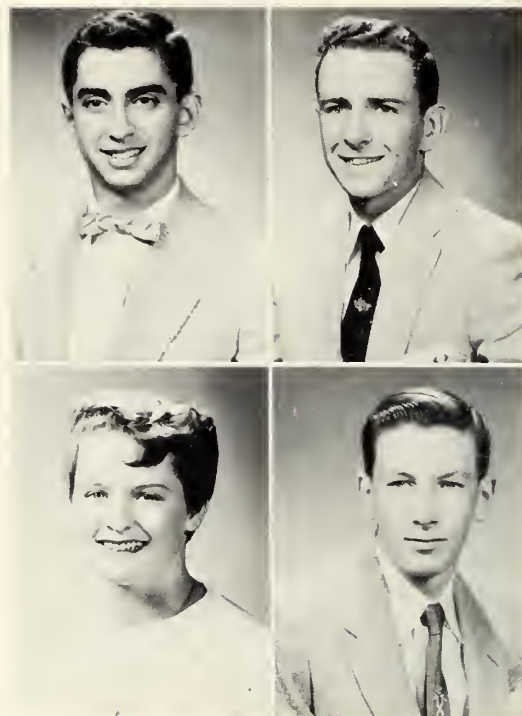

"Unaccustomed as I am to public speaking."

"Billy," our outstanding Class President, enjoys getting into anything which might prove interesting. Being a finalist in the Red Feather Oratorical Contest and Miss O'Connell's English classes are among "Billy's" A.H.S. memories.

Dennis Campbell
95 Lake Street

"A light heart, a carefree manner."

Dennis spends most of his spare time working on cars. He enjoys baseball and football. His fondest memory of A.H.S. will be the good times he had in the woodworking shop.

Roberta S. Cannistraro
87 Gray Street

Field Hockey, Basketball Manager, Softball, G.A.A.

'Tis said, "Mischievous has swift wings."

After graduation, cheerful "Chip" plans to study dancing to become a dancing teacher. Her active participation in many school activities will keep fond memories of A.H.S. alive for many years to come.

James Francis Canty
33 Beacon Street

Baseball

"Of course I know it, but I forget so often what I know."

"Jim" will long remember his two years of Spanish with Mr. Petralia. Next year he plans to enter Northeastern.

Sandra H. Canzanelli
37 Walnut Street

Honor Roll, Glee Club, Gilbert & Sullivan, Tennis, Library Corps

"Joy rises in her like a summer's morn."

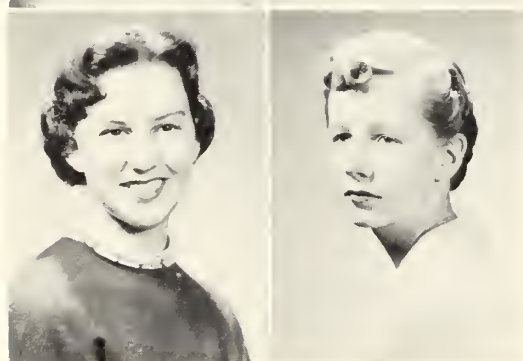

Next year Sandra plans to attend Jackson. She will always remember Miss Barry's French classes and the good times she had as a member of the Glee Club.

Mary Helen Caramanis
56 Egerton Road

THE YEAR BOOK COMMITTEE

Editor DOROTHY REUTER

Business Manager ... RICHARD CAHALY

The Year Book is the climax of high school life, for within its pages are recorded the activities, sports, classmates, and memories of three years. With the purpose of compiling a just record of the experiences of our class, the Year Book Committee set to work. The success of the book is due to the hard work of the committee and the co-operation of the Vocational Student Council. The Guidance of Mrs. Moffatt, Mr. Lincoln, and Mr. Eaton, and the unending efforts of Miss Binnig and her Senior Typing Class enabled the committee to produce this Year Book which it is hoped will recall many pleasant memories in the years to come.
